

Dear Friend,

I'm delighted your solicitor has connected with Vision Australia to learn more about our Gifts in Wills program. We completely understand if you'd prefer to remain anonymous, but please know how deeply we appreciate your interest. A gift like this can make a lasting difference in the lives of people who are blind or have low vision.

Gifts in Wills provide essential funding for our work, helping people who are blind or have low vision access the support they need at every stage of life. Children and young people benefit from early intervention and educational programs. Adults gain skills, access technology, and receive employment support, while older Australians enjoy services that help them maintain independence. Our Seeing Eye Dogs program nurtures our beautiful puppies, creating life-changing partnerships that give individuals mobility, and the freedom to live the life they choose.

Noah with mum Mariam

Noah's journey is a powerful example of how support from Vision Australia can shape a brighter future. Born with albinism and low vision, he is now a confident 13-year-old who plays goalball and dreams big. Vision Australia has supported him since he was a baby. His mother says she can now see "extraordinary" possibilities for his future.

Summer's story is equally inspiring. Living with optic nerve hypoplasia and cerebral palsy, she has gained a sense of empowerment through her Seeing Eye Dog, Lassie. Summer says, "Lassie makes me feel safe and gives me the confidence to do things I never thought I could."

Summer at home with her Seeing Eye Dog Lassie

Gifts in Wills supporters, are welcomed into our Iris Circle Bequest Society. Membership is complimentary and includes regular updates on our work, and invitations to special Thank You events. At these gatherings, you can connect with fellow supporters, spend time with our beautiful Seeing Eye Dog puppies and their handlers, and witness the life-changing partnerships that your kindness helps create.

Once you have chosen to include a gift, it would be a privilege to thank you personally, if you wish, and welcome you into our Iris Circle Bequest Society. You're very welcome to call me on 0409 956 132 or email [litsa.bantrouhas@visionaustralia.org](mailto:litsa.bantrouhas@visionaustralia.org) — I would be happy to chat with you and guide you through any questions you might have.

Thank you again for your interest, and I hope you have a lovely week ahead.

Best wishes,

**Litsa Bantrouhas**
